Dear Colleagues!

We invite you to participate in work of **The IX International Scientific and Practical Conference "War in Historical and Individual Memory" (roundtable discussion format)**.

Goal of Conference is to involve the creative and scientific potential of Ukraine and Western Europe in solving the current problems of Ukrainian state and building a democratic society.

Conference format is designed to increase: creative activity and professional level of participants; create a discussion environment for exchange of experience; generate interest in learning about historical past; realize the lessons of history for effective recovery of Ukraine.

Scientists, specialists of various profiles and areas, teachers, postgraduate students, master's students, students of higher education institutions, and students of secondary education institutions **are invited to participate**.

During the conference, its participants will be able to present their scientific and applied developments, as well as provide proposals for involving gifted schoolchildren and students in the processes of rebuilding Ukraine and development of modern Ukrainian society.

All participants of **International Scientific and Practical Conference "War in Historical and Individual Memory" receive a CERTIFICATE**.

Participation in conference is **FREE!**

PUBLICATION OF CONFERENCE MATERIALS

It is planned to publish a collective scientific monograph based on conference materials. To do this, conference participants must send scientific articles and chapters to conference organizing committee (istoria.sgn@duet.edu.ua) **by October 28, 2026**, formatted in accordance with established requirements.

REQUIREMENTS FOR SCIENTIFIC ARTICLES AND CHAPTERS SUBMITTED FOR PUBLICATION IN A COLLECTIVE MONOGRAPH BASED ON THE MATERIALS OF IX INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE:

Volume of scientific articles (reports, chapters): from 6 pages to 1 printed page and more (1 printed page – 40 thousand characters; 0.5 printed page – 20 thousand characters).

Publication Languages: Ukrainian, English.

Text of abstracts is formed in text editor "Microsoft Word".

List of references is prepared in accordance with requirements of **DSTU 7.1:2006** and is formed in order of references in the text.

Formulas are typed in formula editor of Microsoft Word package.

An example of formatting and presentation of abstracts is provided at the link:
